

2009 Canterbury Crossing Holiday Lighting Contest Winners!

I am sure as many drove the community this year to view all the beautiful lights the thought might have crossed your mind, "I wonder if they decorated as beautifully on the inside"? Yes they did! I had the pleasure of visiting with Dan and Elaine Anderson, when I dropped off their prize money on behalf of Canterbury Crossing Master Association and felt as though I was walking into the North Pole. There was a wonderful smell of fresh baked cookies and hot chocolate. Mr. and Mrs. Anderson were incredibly welcoming. They truly deserve this honor and were two of the most gracious people I have had the pleasure of meeting. Thank you for making the holidays so beautiful for all of us in the community. Congratulations!

-Marsha Miller (Community Operations Manager)
